English Alphabet

O' My children, let us sit.

Know our heritage, bit by bit.

We have learnt about ball and bat

We have learnt about apple and cat

We don't know about Kartar Singh Sarabha

Nor we know about any Gadri Baba

We have learnt about Queen and King

We don't know about our Bhagat Singh

We don't know about Chander Shekhar Azad

Nor we know about Jallian Wala Bagh

Universal brotherhood who had taught

Freedom to the Country who had brought

This alphabet would teach us all

B for Bhagat Singh, not B for ball.

Why we have not till date perished

Because rich heritage we have cherished
